D. ParaReviews

REVIEWS SELL BOOKS. Reviews make a book stand out. We can help each other by posting (five star) reviews at Amazon.com, B&N.com, BooksAMillion.com and other web sites.

IF YOU WOULD LIKE TO REVIEW BOOKS in your area of interest/expertise, contact the listing publisher directly with your Postal address. Do not send your request to Para Publishing. Please award the book at least four stars or decline to review it. A review with fewer stars is harmful to sales. The book you receive is yours to keep.

IF YOU WANT YOUR BOOK REVIEWED on Amazon.com, B&N.com, etc, list it here in Publishing Poynters Marketplace (no charge). You must be willing to send a book and promotional materials (review-book package) to readers of Publishing Poynters Marketplace who contact you. Make sure the book is already listed at Amazon.com.

Just send your request and description to DanPoynter@ParaPublishing.com. Draft your request so that I do not have to edit it. Make it SHORT (100 words max), no italics or bold type. Just describe the book in a few words; don't send a lengthy review of it. Lengthy submissions will be returned for rewriting or ruthlessly cut. Reviewers only need enough information to see if they have expertise and an interest in your category. Supply full contact information including your email address. Write the draft as it should appear so that I do not have to do more than Copy\Paste. Put "Review Wanted" in the subject line.

OFFERED FOR REVIEW:

1. THE IMMORTAL TAVERN by Jim Adams is a delightful read. What a place! You could have the President of Harvard at one end of the bar and Boston's best bank robbers at the other. From the first chapter telling the "wine story" right through to "last call", the book is amusing and highly entertaining. Rich in colorful characters, history, politics and witty storytelling, it is reminiscent of Rick's Club in the movie "Casablanca", and the camaraderie found in "Cheers" and "Mash". Pull up a stool and join in the fun!

--Anne Adams, duval2@comcast.net

2. The EMMA LEA BOOKS are a series of picture books for ages 5-10.

"Emma Lea's First Tea Party", "Emma Lea's Magic Teapot" & "Emma Lea's First Tea Ceremony"

Each is **A MULTI-GENERATIONAL FAMILY STORY WITH A TEA THEME**. More about each book can be found at our website, www.emmaleabooks.com.

I would be happy to personalize the review copies as gifts in appreciation of your review.

--Babette Donaldson, info@emaleabooks.com

3. WHAT GOD REALLY WANTS YOU TO KNOW: God's Universal Truths Shared by All World Religions. Multi-Award Winning. Well-researched and groundbreaking book demonstrates that the commonly held teachings of every major faith are the real story, and have the power to bring us all together. Includes thirty-three essential principles, and over 800 key excerpts from the world's sacred texts that form the foundation of spirituality and religion and are one with our true divine nature. Detailed source notes, glossary, index.

This book needs reviews by other spiritual/religious authors, or reviewers with a readership. Ask David at www.whatgodreallywants.com for a review copy.

4. RETIREMENT READINESS helps readers to jumpstart the process of retirement visioning and create a focus for the dreams and goals of their retirement years. The author, a Certified Financial Planner, uses a humorous style to bring readers in touch with this difficult subject, helping them make clear progress in successful retirement planning. Making it as black and white as possible, he also uses worksheets to alert readers to financial surprises and help locate bumps like healthcare and estate planning. Particularly valuable is the author's overview of Medicare. For a review copy, contact Deidre Randall, Peter E. Randall Publisher, media@perpublisher.com. Visit the website at: www.mikebonacorsi.com.

6. TATIANNA—TALES AND TEACHINGS OF MY FELINE FRIEND by Linda A. Mohr explores the intimate relationship between the author and her Siamese cat with soul-stirring blue eyes. 7. THE CAT WILL MEW AND DOG WILL HAVE HIS DAY, by Richard B. Beal, Jr., r.beal4450@comcast.net
4450 S. Park Ave, #1208, Chevy Chase, MD 20815

For their own ends, modern day British Empire builders seek to control the outcome of a 21st Century American Presidential election by suborning American Revolutionary documents in ways that alter American history and become decisive in an election two and a half centuries later.

8. SPARROW MISSION, by Richard B. Beal, Jr., r.beal4450@comcast.net
4450 S. Park Ave, #1208, Chevy Chase, MD 20815

In World War II three American (OSS) officers are sent on a secret mission behind German lines. They parachute in the dead of night from a British bomber into an obscure corner of Hungary. They are to find and convince certain key figures in the Hungarian government to sever their alliance with Germany and surrender to the Allies. Their mission is complicated by the bewildering deportment of the Hungarian villagers who find them first, the duplicity of a Hungarian general, the efficiency and cruelty of the Gestapo, and the wiles and whims of some beautiful Hungarian women.

9. Little Stories by Jeff Roberts is a **HAUNTING COLLECTION OF 11 VIGNETTES** examining what it means to be a human being. Birth and death, love and betrayal, disappointment and triumph are all examined from different point of views ranging from a young school boy to a dying grandfather. Many of these stories have been featured in other writing journals, but none of them should be missed. Review copies may be requested by contracting the author through his webpage: <http://outskirtspress.com/jroberts> or email him directly at jbr171@psu.edu.

10. "8 STEPS TO A PAIN-FREE BACK", by Esther Gokhale, offers a comprehensive view not only of back pain (where it comes from, how to fix it) but also of posture. Babies, native indigenous people and the art of ancient cultures offer good models for posture—and show us where we go wrong. Based on these models, Esther has devised unique methods for restoring posture as nature intended—"stretch-sitting", "tall-standing" and "glide-walking" to name a few. These techniques bring relief to all kinds of musculo-skeletal pain, from herniated disks to carpal tunnel. For a review copy, contact Stacy at stacy@egwellness.com.

11. On Valentine's Day 1993, psychiatrist Melanie Cane went to jail for poisoning her former lover who was also a psychiatrist. Now, 16 years later, Melanie Cane provides an unvarnished description of her spiral into the depths of mental illness, her subsequent psychiatric treatment, the legal and social consequences of her crime, as well as her determined effort toward recovery in her memoir, **POISONED LOVE**. Her gut-wrenching struggle for redemption is told with the rare dual perspective of both a skilled psychiatrist and a tormented patient. Readers will empathize with her, root for her and

believe in her ultimate triumph.
